3. Compliance Obligations
4. vEMCs
5. Registration Process
6. Reporting Process
7. Collections Overview
8. Data Validation
9. Q&A.

Overview of system / structure

ELT PRI Model

Note: vEMC is a separate line item on each sales invoice throughout the supply chain (producer/importer, wholesaler, retailer, consumer)

Retailer Legal Compliance Obligations

- Become a **member** of the ELT compliance scheme - Repak ELT - and display Membership Certificate on premises.
- **Purchase** tyres only from registered suppliers.
- **Charge the vEMC** on all tyres sold (separate line item on invoice).
- Report data to Repak ELT by the **15th** of each month to avail of free collection.
- Only give waste tyres to an **authorised** Repak ELT **waste collector**.
- **Advise customers** who retain their own waste tyres to dispose of them in an environmentally sound manner.
- Abide by Repak ELT Member **Scheme Rules**.

Visible Environmental Management Costs (vEMC) Fees

- vEMC finances the cost of managing waste tyres in an environmentally sound manner
- Cost neutral for industry as consumer pays the vEMC at point of purchase.

Category	vEMC (ex VAT)
Passenger Car / 4x4 / Van	€2.80
Motorcycle	€1.50
Truck / Bus – Light Commercial	€6.70
Truck / Bus – Heavy Commercial	€11.00
Agricultural	€0.00*
Construction	€0.00*
Industrial	€0.00*

- Minister to confirm vEMC outlook for Agri / Construction / Industrial.
 - Truck and bus deferred until 1st January 2018

vEMCs to be displayed on Invoices

	Total			€9,849.75	

*Included in this price is a statutory contribution to recycling costs
See www.repakelt.ie for more info.

Financing the cost of managing tyres in an environmentally sound manner

42. (1) On and from the commencement of these Regulations (from October 1st 2017), producers shall **impose an environmental management cost for all tyres placed by them on the market in the State.**

(2) Where a cost under paragraph (1) is imposed **that cost shall be itemised as a separate line item on any invoice, receipt, credit note, dispatch and delivery docket containing the retail price of a tyre issued to his or her customer.**

Repak ELT Registration Process

- Log-on to www.repakelt.ie.
- Click on “Join Today” at the top of the page.
- Complete the Membership Application Form (4-5mins).
- Once completed, click on “Send” at the bottom of the form. Your application has now been submitted to Repak ELT.
- Once fully reviewed and successfully registered with Repak ELT, your Certificate of Membership will be posted to you.
- When you receive your Certificate be sure to display it on your premises

Repak ELT is a not for profit organisation, working under approval from the Department of Communication, Climate Action and Environment (DCCAE) to operate the compliance scheme for tyres in Ireland.

Repak ELT’s mission is to provide legal compliance for our members under the Waste Management (Tyres and Waste Tyres) Regulations 2017.

Repak ELT’s focus is to provide a cost effective system and deliver responsible and environmentally sound recovery and recycling solutions

Retailers/Wholesalers/Waste Collectors (Non importers) is €70 (incl. VAT) and €50 (incl. VAT) for each additional premises.

Producers/Importers: €0.10 (excl. VAT) per unit that you import.

If you are a farmer, please [register here](#)

How to Report Monthly to Repak ELT

- Report to be complete by the **15th day** of every month.
- All reporting will be **online**.
- Reporting will include tyres : **Purchased, Sold & Collected** by category and sub-category.
- **First month's** reporting will require opening stock to be declared.

Retailer – Opening Stock Declarations for 1 October 2017

- **Retailers declare the following on October 1st:**
 - **Number of units, by category, of waste tyres on site.**
 - **Number of units, by category, of new tyres in stock.**
- **Retailers to run down their stock of waste tyres in advance of scheme launch, as they will have to pay €2.80 (+VAT) after the launch date.**
- **Retailers must use Repak ELT approved waste collectors.**

Welcome to RELT
RepakELT's online data submission facility

LOGOUT

New PIN

~~Members must create an eight character PIN code for additional security.~~

The PIN should include at least four letters, at least two of which should be capitals, at least two digits, and at least one symbol. E.g. 12T3Wyh\$
PIN characters are case sensitive

This PIN is encrypted before being stored and will only be known to the person creating it.
If you forget your PIN, you will need to contact RepakELT to allow you to create a new PIN.
If you want to change your PIN at any time, just enter the new one and it will overwrite the existing.

Enter PIN

Collection Overview

- **Waste Tyre Collection is FREE only where a vEMC has been paid.**
- **All reporting will be in electronic format and all tyres collected must be recorded in units by category and sub-category**

Waste Collector Compliance

- Register through www.repakelt.ie
- Report waste collected for previous periods from Retailers
- Report destination of waste (facilities used in Ireland or abroad)
- Report waste tyres supplied to farmers (Farmers will register with Repak ELT through an online form on www.repakelt.ie)
- Supply supporting documentation (e.g. Recycling Certs, Recovery Certs, Annex VII Forms, TFS: TransFrontier Shipments)

Data Validation/Auditing

- **Data Validation / Reconciliation:**
 - **Producer tyres versus tyres purchased by retailers**
 - **Retailer sales (B to B)**
 - **Retailer waste tyres versus waste tyres collected by collectors**
 - **Collector end of life documentation**
- **Auditing:**
 - **Retailer audit programme**
 - **Collector audit programme**

Summary

- **Solution to an environmental problem; waste tyres to be managed in an environmentally friendly manner.**
- **Opportunity for economic operators to participate in the scheme; fair and equitable scheme, sharing burden.**
- **Free collections of waste tyres where an applicable vEMC has been paid.**
- **Effective enforcement, minimise unfair competition, no hiding place for non compliant operators.**
- **Growth and employment opportunities for compliant industry.**
- **Clean, positive image for industry.**
