## Introduction

Welcome to Repak ELT's reference guide to completing your ATF reporting.

The aim of this document is to assist new users with setting up their log-in details for the Returns Blackbox and to aid all users in reporting their tyre data. If you have any questions that are not addressed within this document please get in touch with Repak ELT via the contact details below:

### **Repak ELT contact details:**

- P: (01) 4618 600
  - E: [info@repakelt.ie](mailto:info@repakelt.ie)
  - W: [www.repakelt.ie](http://www.repakelt.ie)
- 

## Checklist

When reporting you will need the following:

1. Username and password supplied by Repak ELT
  2. PIN code to be created by the member
  3. The number of tyres arising from processed ELVs
  4. The number of ELVs processed through to COD stage
  5. The number of tyres sold as part-worn tyres
  6. The number of waste tyres collected by your Authorised Waste Collector
- 

## Getting Started

Once a new member joins Repak ELT their Blackbox login details will be emailed within 2 days. Please email us at [info@repakelt.ie](mailto:info@repakelt.ie) if you do not receive this information

Email will included:

1. Username (your member number with an 'A', e.g. 1418A)
2. Password (10 character code which contains both upper and lower case letters, and numbers).

There will also be a link included which allows you to click directly from the email through to the Returns Blackbox login page. Alternatively, the login page can be accessed via a link at the top of our website ([www.repakelt.ie](http://www.repakelt.ie)) or by typing the following address:

- <https://www.reltretailer.ie/Account/Login.aspx>
-

## Logging in

Once the login page is displayed you will be asked to input your Username and Password. Remember, this password is case-sensitive. If you forget or misplace your password or PIN you can reset by clicking on **\*Forgot Password or PIN? Click here**. Please see Page 17 for further instruction on resetting.

It is easiest to use the original email which we sent containing the username and password. Select and copy both the username and password and paste to the relevant field on the login page. Once completed click 'Log in'.

**Note:** Your Password is different to your PIN code – Please double-check that you are using the correct code if you are having trouble logging in.

## PIN Code

The first time you log in you will be asked to create an 8 character PIN code. This PIN code needs to satisfy the following requirements:

- At least four letters (at least two of which should be upper case)
- At least two digits
- At least one symbol, e.g. % & £ \$ €

Note: PIN characters are case sensitive.

An example of an acceptable PIN code is: 12T3Wyh\$

This PIN code is known only to the user so it is important to take note and keep it somewhere safe and accessible. Repak ELT have no record of your PIN. Should any difficulties arise we can reset it back to blank, so that you will be asked to re-create a new PIN code the next time you attempt to login.

If you have questions relating to any of this please get in contact with Repak ELT and we will walk you through the process.

## New PIN Code

The screenshot shows the 'New PIN Code' interface. At the top, the RepakELT logo is on the left with the tagline 'End of life tyres', and a welcome message 'Welcome to RELT RepakELT's online data submission facility' is on the right. A 'LOGOUT' button is in the top right corner. Below the header, a 'New PIN' button is on the left. The main content area contains instructions: 'Members must create an eight character PIN code for additional security.' followed by 'The PIN should include at least four letters, at least two of which should be capitals, at least two digits, and at least one symbol. E.g. 12T3WYh\$ PIN characters are case sensitive'. Below this, a note states: 'This PIN is encrypted before being stored and will only be known to the person creating it. If you forget your PIN, you will need to contact RepakELT to allow you to create a new PIN. If you want to change your PIN at any time, just enter the new one and it will overwrite the existing.' A row of eight input boxes for the PIN is provided, preceded by the text 'Enter PIN'. At the bottom, there is a green arrow button and a 'Continue' button.

## Returning user

If you have already previously set up a PIN code for your Returns Login then you will see the following screen instead:

The screenshot shows the 'Returning user' interface. It has the same header as the 'New PIN' screen. Below the header, an 'Enter PIN' button is on the left. The main content area says 'Please enter the selected characters from your eight character PIN' and 'PIN characters are case sensitive'. Below this, four input boxes are shown, labeled 'Character 7', 'Character 8', 'Character 5', and 'Character 6' above them. Each box contains a small asterisk. A 'Clear' button is positioned below the input boxes. At the bottom, there is a green arrow button and a 'Continue' button.

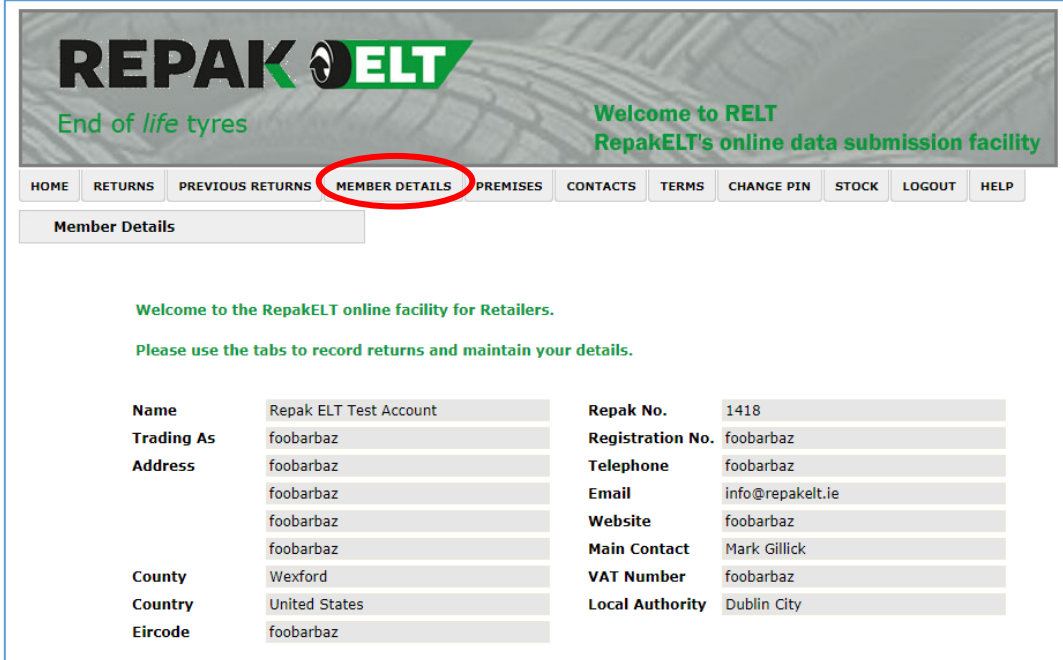

You will be asked to enter a random 4 characters from your 8 character PIN code.

**This is not to be confused with your Password.**

## Home Screen

Once logged-in successfully you will be directed to the Returns Home Screen.

You will be presented with the main contact details of your company. Please review and if anything needs to be amended you can click on Member Details on the grey toolbar towards the top of the screen to edit the relevant information. For more information relating to Member Details screen see the section on page 15.

Enter Returns

Welcome to the RepakELT online facility for Retailers.

Your last submitted return was :

Period December 2015  
Date 03 October 2017

Please select the return you want to complete from the following list

- March 2016
- June 2016
- September 2016
- December 2016
- March 2017
- June 2017
- September 2017

The first details required relate to the person filling in the returns data. Here you are asked for some basic contact details in case there are any follow-up questions. The first text field (*Submitted by (Name)*) is the only field which is mandatory. You may fill out the rest of the fields as you deem appropriate. Once finished click 'Save & Continue towards the bottom right. This will bring you to the Main Menu.

\*\* Please note that by continuing you have agreed to accept the standard terms and conditions for the site. Click [here](#) to view them.

## Main Menu

Main Menu is where the main reporting data is inputted.

You will need to progress following the number sequence line by line before eventually clicking 'Review' and then 'Submit' at which point the data becomes read-only and is submitted to Repak ELT. Up until you click on 'Submit' you are able to go in and out of the information as you need to and it will be saved from session to session.

The screenshot shows the Repak ELT Main Menu. At the top, there is a header with the Repak ELT logo and the text 'End of life tyres' and 'Welcome to RELT RepakELT's online data submission facility'. Below the header is a navigation bar with links: HOME, RETURNS, PREVIOUS RETURNS, MEMBER DETAILS, PREMISES, CONTACTS, TERMS, SECURITY, STOCK, LOGOUT, and HELP. The main content area has a 'Main Menu' button, a 'Repak No.: 1418' field, and a 'Period: October 2017' field. Below these is a 'Name: Repak ELT Test Account' field. A message says 'Please complete the steps below in sequence'. A sequence of five steps is shown, each with a description and a button: 1. Enter the details of the Tyres In (Tyres In button), 2. Enter the number of ELVs (ELVs button), 3. Enter the details of the Tyres Out (Tyres Out button), 4. Review and Submit the details (Review button), and 5. Print the submission (Print button). Arrows indicate the sequence from step 1 to 5.

As you work through the reporting lines they will change from Blue to Green as you progress. These must all be completed in order for the next line to become editable (blue). All lines above will be green by the time you reach the Review stage (which will be blue) and then with in this section clicking submit to send the data to Repak ELT. You will then be able to print your return for your records.

## Inputting Data

### 1. Entre the details of the Tyres In

This is where you will record the amount of tyres taken in to your business in the given period. If you have more than one premises you will need to report for the total amount (or that premises will login and submit their own records).

The tyre information will need to be broken down by tyre category and the amount of tyres per category.

The Tyre Category drop down list contains all the following categories:

- Agricultural
- Construction
- Industrial
- Motorcycle
- Part Worn/ Used
- Passenger Car/ Van/ 4x4
- Retreads
- Truck/ Bus

Select the appropriate Tyre Category before moving onto the Source Category list.

Once all your data has been entered, click on "Next"

Supplier not on the list? Add them here. Add Supplier

## Adding Suppliers

The second drop down list titled Source relates to Suppliers from whom you received tyres.

When reporting for the first time you will need to add your suppliers into this list. To do so click Add Supplier towards the bottom right. This will open up a new screen where you will be able to enter the number of your supplier before clicking 'OK'.

This number can be found on the Members List by following this link <https://repakelt.ie/member-list/?operator=&county>. You will need to open a new web page to look up the number on the members list as it cannot be searched while logged in to the returns site. If your supplier is not listed please contact [info@repakelt.ie](mailto:info@repakelt.ie).

Should you have more than one supplier you can go back in to 'Add Supplier' as often as required. Once added, your suppliers will always be listed for future reporting. If you have a lot of suppliers and think this might take you a considerable amount of time then you can get in touch with Repak ELT and we can upload the relevant Suppliers to the Blackbox on your behalf.

The password for your RepakELT account has been reset.

The new password is wx1AzWLNcRc\*pK

[You can now login to the RepakELT site by clicking here](#)

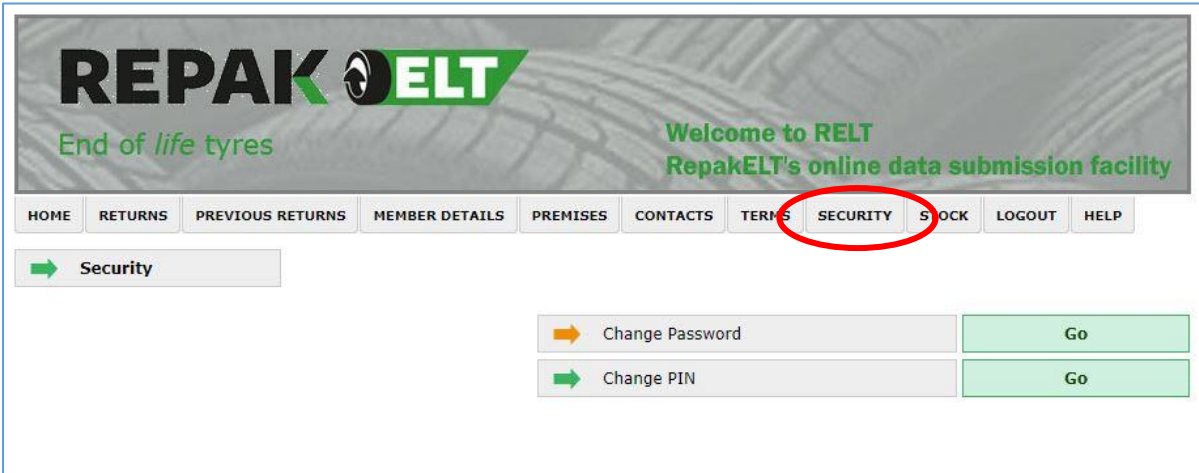

If you have any trouble logging in with this new password, please telephone the Repak ELT team on (01) 4618 600 or email us at [info@repakelt.ie](mailto:info@repakelt.ie)

If you are not the main contact make sure you can access that email account before resetting. If you require the main contact email to be changed please contact Repak ELT. The new password is provided in the email and can be changed see page 19.

Click on the link 'You can now login to the RepakELT site by clicking here'. This will bring you back to the Login page. Enter your username and new password. When the password is reset this will also reset the PIN. Please follow the instruction from Page 4.

A screenshot of the RepakELT login page. The page has a grey background with a subtle pattern. At the top, it says 'Welcome to RELT, Repak ELT's Online Returns facility' and 'You can get a help document for this site here'. The RepakELT logo is prominently displayed. Below the logo, there are input fields for 'Username' (containing '1418A') and 'Password' (masked with dots). To the right of the password field is a link 'Forgot Password or PIN? Click here'. A green 'Log In' button is at the bottom. At the very bottom, a note states: 'Please note you need a user name and password to enter this site. If you have not registered and wish to do so now, please log on to RepakELT.ie.'

Members can also change password and pin when logged in. Click on the Security tab and it will bring you to the following page.

The screenshot displays the RepakELT member portal interface. At the top, the logo "REPAK ELT" is shown with the tagline "End of life tyres". To the right, a welcome message reads "Welcome to RELT RepakELT's online data submission facility". Below this is a horizontal navigation menu with tabs: HOME, RETURNS, PREVIOUS RETURNS, MEMBER DETAILS, PREMISES, CONTACTS, TERMS, SECURITY, STOCK, LOGOUT, and HELP. The "SECURITY" tab is circled in red. Below the navigation menu, there is a "Security" button with a green arrow icon. To the right of this button, there are two rows of buttons. The first row contains a button with an orange arrow icon and the text "Change Password", followed by a green "Go" button. The second row contains a button with a green arrow icon and the text "Change PIN", followed by a green "Go" button.
